3 5. Section 4928.1 of the Code states:

4 “Protection of the public shall be the highest priority for the Acupuncture Board in
5 exercising its licensing, regulatory, and disciplinary functions. Whenever the protection of
6 the public is inconsistent with other interests sought to be promoted, the protection of the
7 public shall be paramount.

8 6. Section 4955 of the Code states:

9 “The board may deny, suspend, or revoke, or impose probationary conditions upon, the
10 license of any acupuncturist if he or she is guilty of unprofessional conduct.

11 “Unprofessional conduct shall include, but not be limited to, the following:

12 “(a) Using or possessing any controlled substance as defined in Division 10
13 (commencing with Section 11000) of the Health and Safety Code, or dangerous drug
14 or alcoholic beverage to an extent or in a manner dangerous to himself or herself, or
15 to any other person, or to the public, and to an extent that the use impairs his or her
16 ability to engage in the practice of acupuncture with safety to the public.

17 “(b) Conviction of a crime substantially related to the qualifications, functions,
18 or duties of an acupuncturist, the record of conviction being conclusive evidence

22 the violation of the terms of this chapter or any regulation adopted by the board
23 pursuant to this chapter.

24 “(e) Except for good cause, the knowing failure to protect patients by failing to
25 follow infection control guidelines of the board, thereby risking transmission of
26 blood-borne infectious diseases from licensee to patient, from patient to patient, and

6 with the Medical Board of California, the California Board of Podiatric Medicine, the
7 Dental Board of California, the Board of Registered Nursing, and the Board of
8 Vocational Nursing and Psychiatric Technicians, to encourage appropriate
9 consistency in the implementation of this subdivision.

10 “The board shall seek to ensure that licensees are informed of the responsibility
11 of licensees and others to follow infection control guidelines, and of the most recent
12 scientifically recognized safeguards for minimizing the risk of transmission of
13 blood-borne infectious diseases.

14 “(f) The use of threats or harassment against any patient or licensee for
15 providing evidence in a disciplinary action, other legal action, or in an investigation
16 contemplating a disciplinary action or other legal action.

19 “(h) Disciplinary action taken by any public agency for any act substantially
20 related to the qualifications, functions, or duties of an acupuncturist or any

23 acupuncture license.

24 “(j) The violation of any law or local ordinance on an acupuncturist's business
25 premises by an acupuncturist's employee or a person who is working under the
26 acupuncturist's professional license or business permit, that is substantially related to
27 the qualifications, functions, or duties of an acupuncturist. These violations shall
28 subject the acupuncturist who employed the individuals, or under whose

1 acupuncture license the employee is working, to disciplinary action.

20 shall not in any event be increased by the board. When the board does not adopt a
21 proposed decision and remands the case to an administrative law judge, the
22 administrative law judge shall not increase the amount of any costs assessed in the
23 proposed decision.

24 “(c) When the payment directed in the board's order for payment of costs is not
25 made by the licensee, the board may enforce the order for payment in the superior
26 court in the county where the administrative hearing was held. This right of
27 enforcement shall be in addition to any other rights the board may have as to any
28 licensee directed to pay costs.
