- (d) A licensee shall provide true and accurate information and responses to questions, subpoenas, interrogatories or other requests for information or documents and not take any action to obstruct any Board inquiry, investigation, hearing or proceeding.

**Description**  
**of Violation:**

On or about June 27, 2011, a letter was sent to the licensee regarding the requirements for reporting peer review information to the CBA by July 1, 2012. Instructions for providing the information, either electronically or in writing by hard copy via the CBA's reporting form (Peer Review Reporting Form (PR-1 (1/10))), were provided in the letter. On or about January 26, 2012, a second notice was sent to the licensee regarding compliance with the CBA's reporting requirements and CBA's inquiry. Specifically, the letter stated that "Reporting of peer review status is required even if you are not required to undergo peer review." On or about September 24, 2012, a deficiency letter was sent to the licensee by the CBA for failing to respond by July 1, 2012, as directed. The letter also re-stated the CBA's request to report peer review status. As of this date, the CBA has no record of a report, a response, or the provision of any information regarding the status of peer review reporting by the licensee.

Consequently, the licensee failed to respond to CBA letters or provide information as requested by the CBA via letters dated June 27, 2011, January 26, 2012, and September 24, 2012. Cause for issuance of a citation and order of correction/abatement exists, in that the licensee has violated the section cited above.
