

ADVANCE NOTICE OF INTENT TO READOPT EMERGENCY REGULATIONS

To All Interested Parties:

This notice is sent in accordance with Government Code section 11346.1(a)(2) and Title 1 of the California Code of Regulations (CCR) section 52, which require State of California agencies to give five (5) working day advance notice of intent to readopt emergency regulations with the Office of Administrative Law (OAL). The California State Athletic Commission (CSAC) intends to file a request for readoption of Headgear regulations originally approved by OAL on April 21, 2016, and which became effective April 21, 2016.

Pursuant to Title 1 CCR section 52(b)(1), the CSAC has made substantial progress and proceeded with diligence to comply with Government Code section 11346.1(e) by undertaking the following activities:

- The regulations were again reviewed during the July 12, 2016, CSAC meeting, following the adoption of the emergency regulations.
- CSAC has worked with DCA's legal division to update and improve certain procedures associated with the regulations.
- The regulatory package to make the emergency regulations permanent has been published by OAL on July 29, 2016, and the 45 day comment period will ended on September 12, 2016. No public comments were received.
- A public hearing was held on September 12, 2016, at which no public comments were received.

As required by Title 1 CCR section 52, there has been no change in emergency circumstance since the original adoption of the Accreditation of Degree Granting Institutions regulations by OAL.

The CSAC hereby incorporates by reference the rulemaking record of OAL file number 2016-0411-05E.

The CSAC plans to file the readoption of the Headgear emergency regulation package with OAL at least five working days from the date of this notice. If you would like to make comments on the readoption of the Headgear regulations, they must be received by both the CSAC and OAL within five calendar days of the CSAC's filing at OAL.
