

AVAILABILITY OF THIRD MODIFIED TEXT AND DOCUMENTS ADDED TO THE FILE

NOTICE IS HEREBY GIVEN that the California State Athletic Commission has proposed modifications to the Initial Statement of Reasons (ISR) to include additional underlying data, specifically, a document in the Journal of Clinical Endocrinology and Metabolism entitled "Endocrine Treatment of Transsexual Persons" (September 2009, 94(9): 3132-3154). The amendments to Title 4, California Code of Regulations sections 201.5, 303, 424, 425, 426, 830, 831, 832, 833, 834, 835, 836 and 837, were the subject of a regulatory hearing on September 21, 2015.

Although the Commission did not modify the language of this proposal, it is included to ensure that the public, including all stakeholders, are notified of changes to the language and to provide documents that were inadvertently omitted in the second notice of modified text issued for comment from October 20, 2015 to November 4, 2015.

Copies of the Revised ISR and "Endocrine Treatment of Transsexual Persons" are enclosed, and are available for public inspection on the Commission's website at http://www.dca.ca.gov/csac/stats_regs/prop_regs.shtml or at the Commission's offices at the address below. Any person who wishes to comment on the proposed modifications may do so by submitting written comments on or before December 2, 2015, to the following:
