

**TITLE 16. STRUCTURAL PEST CONTROL BOARD
DEPARTMENT OF CONSUMER AFFAIRS**

FINAL STATEMENT OF REASONS

HEARING DATE: October 13, 2016

SUBJECT MATTER OF PROPOSED REGULATION: Company Name Approval

SECTION AMENDED: California Code of Regulations, Title 16, Division 19, Section 1914

UPDATED INFORMATION: The Initial Statement of Reasons is included in the file. No updates have been made to the information.

SMALL BUSINESS IMPACT: No proposed alternative would lessen the economic impact on small businesses. The Board made this determination because it is not aware of any alternative that would accomplish the stated goal of the proposed regulation.

LOCAL MANDATE DETERMINATION: The proposed regulation does not impose any mandate on local agencies or school districts.

CONSIDERATION OF ALTERNATIVES: The Board has determined that no proposed or considered alternative would be more effective in carrying out the purpose for which the regulation is proposed or would be as effective and less burdensome to affected private persons than the adopted regulation or would be more cost effective to affected private persons and equally effective in implementing the statutory policy or other provision of law.

The Board made this determination because in order to prevent the use of a name or telephone number of a company whose registration has been surrendered it is necessary to amend CCR section 1914. The Board is not aware of any alternative that would accomplish this goal.

OBJECTIONS OR RECOMMENDATIONS / RESPONSES: The Board received no comments, objections, or recommendations specifically directed at the proposed regulatory change during the initial notice period.
