In re:
Structural Pest Control Board

Regulatory Action:

Title 16, California Code of Regulations

Adopt sections: 1993.4
Amend sections: 1993.2
Repeal sections: 1993.3

NOTICE OF APPROVAL OF REGULATORY
ACTION

Government Code Section 11349.3

OAL Matter Number: 2017-0824-02

OAL Matter Type: Regular (S)

This regulatory action by the Structural Pest Control Board amends existing termite station regulations in title 16 of the California Code of Regulations to differentiate between baiting and monitoring systems and implement guidelines regarding the use of each.

OAL approves this regulatory action pursuant to section 11349.3 of the Government Code. This regulatory action becomes effective on 1/1/2018.

Date: October 6, 2017
