CONGRATULATIONS!
You’ve passed your examination, screening, and clearances. The on boarding process begins
Welcome to the start of your career within CA State Service

Almost there!
Some classifications require candidates pass pre employment clearances (e.g. medical clearance, fingerprinting, background check.) The job postings will include this information if clearance is required.

Be prepared. Give it your best!
If interested, Departments will reach out to the candidate to schedule an interview
The department may conduct reference checks or request additional information (e.g. official transcripts, degree)

Search for vacancies and apply!
Search by classification, department, location, or work type
Find the right vacancy for you. Read application instructions carefully, as requirements may vary
Review your application and upload supplemental documents (e.g. resume, SOQ, certificates)

Take the exam.
Search by key word or classification title
Review the exam posting/bulletin for classification requirements, examination instructions, and exam date/times

Find the right classification for you!
Search by industry or use the Advanced Job Search to search by key word
Search by education level
  o High School Graduates
  o Bachelor’s Degree

Clearance
Almost there!
Some classifications require candidates pass pre employment clearances (e.g. medical clearance, fingerprinting, background check.) The job postings will include this information if clearance is required.
