Amend section 2310 of Division 23 of Title 16 of the California Code of Regulations to read as follows:

§ 2310. Regulatory Charge

(a) The annual regulatory charge to be paid by every cemetery authority operating a cemetery under the Act is fixed at the sum of four hundred dollars (\$400). An additional quarterly charge of eight dollars and fifty cents (\$8.50) for each burial, entombment, or inurnment made during the preceding quarter shall be paid to the Bureau. If the cemetery authority performs a burial, entombment, or inurnment, and the cremation or hydrolysis was performed at a crematory or hydrolysis facility located on the grounds of the cemetery and under common ownership with the cemetery authority, the total of all additional charges shall be eight dollars and fifty cents (\$8.50).

(b) The annual regulatory charge to be paid by every licensed crematory is fixed at the sum of four hundred dollars (\$400). An additional quarterly charge of eight dollars and fifty cents (\$8.50) for each cremation made during the preceding quarter shall be paid to the Bureau.

(c) The annual regulatory charge to be paid by every licensed hydrolysis facility is fixed at the sum of nine hundred dollars (\$900). An additional quarterly charge of eight dollars and fifty cents (\$8.50) for each hydrolysis made during the preceding quarter shall be paid to the bureau.

(1) Each hydrolysis facility shall submit to the bureau annual maintenance records of the hydrolysis chamber for the preceding year with the annual renewal application. The hydrolysis facility license shall not be renewed without proof of annual maintenance of the hydrolysis chamber.

(2) Each hydrolysis facility that discharges hydrolysate to a sewer collection system shall submit to the bureau the current Department of Public Health evaluation with the annual renewal application pursuant to Business and Professions Code section

7639.08(e). The hydrolysis facility license shall not be renewed without proof of the evaluation.

(d) The bureau shall not renew the license of any cemetery authority, crematory or hydrolysis facility that has failed to pay the quarterly regulatory charge prescribed under this section.

Amend section 2326.1 of Division 23 of Title 16 of the California Code of Regulations to read as follows:

§ 2326.1. Managers

(a) Each cemetery for which a new certificate of authority is required shall be operated under the supervision of a cemetery manager qualified as such by the bureau. If the applicant for a new certificate of authority is a limited liability company, the cemetery manager shall not have an ownership interest as a member of the limited liability company.

(1) The applicant for a new certificate of authority, in addition to the requirements of section 2326, will designate the cemetery manager. There shall be submitted with the application a written statement from the cemetery manager demonstrating that he or she has two (2) years' experience in the cemetery business, or equivalent experience, which experience shall be commensurate with the size, type, and scope of the proposed activities of the cemetery authority. Additional cemetery managers who have been qualified and examined by the bureau may be designated by the applicant and can succeed the cemetery manager in the event of death, resignation, disability, voluntary surrender of license, or other inability to perform the required duties, as provided for in Business and Professions Code section 7653.6.

(b) Each crematory for which a crematory license is required shall be operated under the supervision of a crematory manager designated by the applicant and qualified as such by the bureau. Additional crematory managers who have been qualified and examined by the bureau may be designated by the applicant and can succeed the crematory manager in the event of death, resignation, disability, or other inability to perform the required duties, as provided for in Business and Professions Code section 7713.

(c) Each hydrolysis facility for which a hydrolysis facility license is required shall be operated under the supervision of a crematory manager designated by the applicant and qualified as such by the bureau. Each report of change of designation of a

crematory manager submitted shall comply with section 2317.2 of Title 16 of the California Code of Regulations. Additional crematory managers who have been qualified and certified by the bureau may be designated by the applicant and can succeed the crematory manager in the event of death, resignation, disability, or other inability to perform the required duties, as provided in Business and Professions Code section 7712.11. For the purpose of certifying a crematory manager pursuant to this subdivision, the bureau shall require a written statement from the hydrolysis chamber manufacturer demonstrating that the crematory manager has received the proper training for the operation of the hydrolysis chamber and the proposed activities of the licensed hydrolysis facility.
