An applicant who fails to pass any section of the examination may retake that section. When the applicant has credit for all four sections of the examination within an 18-month period as defined in subsection (b), the applicant shall be considered to have passed the examination.
(b) Except as provided in subsections (c) and (d), an applicant shall retain credit for any section the applicant has passed for an 18-month period beginning with the date that the section of the exam was passed. At the end of the 18-month period, credit for that section expires, and that section must be re-taken and passed to re-establish credit.
(c) A first-time applicant who passes any section of the computer-based Uniform Certified Public Accountant Examination during the six months immediately following commencement of computer-based testing in California shall retain credit for that section for a 24-month period beginning with the date the section of the exam was passed. At the end of the 24-month period, credit for that section expires. The section may be re-taken pursuant to subsection (b) of this section.
(d) A candidate may sit for any unpassed section of the examination only one time during each testing window. A testing window is a three-month period as determined by the American Institute of Certified Public Accountants during which applicants may take the exam. (e) Credit for passed examination sections may be extended by the Board because the applicant was prevented from sitting for an unpassed section or sections before credit for passed sections expired pursuant to subsections (b) or (c) because of one of the following events:

1. Death of an immediate family member. Documentation, such as a copy of the death certificate, must be submitted.
2. Catastrophic illness, contagious disease, or major traumatic injury to the candidate or immediate family member (spouse, child or parent). Submit an original letter on letterhead from the physician, which includes the date(s), nature of the illness, and the physician's signature.
3. Natural disaster (earthquake, flood, fire, etc.).

2. The application must be complete, including official transcripts and/or foreign evaluations pursuant to Section 9 or Section 9.2, and the appropriate fees, or it shall be rejected by the Board and the applicant will not be scheduled to sit for the examination.

(c) Repeat Applicant Final Filing Date.

1. The final filing date for applicants who have previously taken the Uniform CPA Exam in California shall be March 1 for the May examination, or September 1 for the November examination. If the examination final filing date falls on a Sunday or a National holiday on which the United States Postal Service is not open, the final filing date will be the next business day.

2. The application must be complete including the appropriate fees or it shall be rejected by the Board and the applicant will not be scheduled to sit for the examination.
§ 8.1. The Authorization to Test and Notice to Schedule for the Computer-Based Uniform CPA Examination.
(a) An Authorization to Test (ATT) is issued by the Board to permit the applicant to test for specified sections of the computer-based Uniform Certified Public Accountant Examination. An ATT for a specified section or sections of the exam shall go into effect (be open) on the date of issuance. Within 90 calendar days of the date the ATT is issued, the applicant must remit the required fees to the National Association of State Boards of Accountancy to obtain a Notice to Schedule (NTS) pursuant to Section 6.1. If the applicant fails to remit fees and obtain the NTS, the ATT shall be deemed expired and the applicant must reapply and be issued another ATT to be able to test for that section.
(b) The NTS will enable the applicant to schedule testing at an examination test center. Except as provided in subsection (e), the NTS shall remain open until either the applicant schedules testing for the specified section(s) or nine months have transpired since the date the NTS was issued, whichever occurs first. The ATT will remain open until the applicant completes testing for the specified section(s) or nine months have transpired since the date the NTS was issued, whichever occurs first.
(c) If for any reason an applicant does not pass a section of the exam during the time the applicant holds an open ATT for that section, the applicant cannot test for that section until the applicant reapplies and is issued another ATT for that section pursuant to Section 8.2.
(d) An ATT may be suspended by the Board based on a report from the National Association of State Boards of Accountancy that its National Candidate Database has identified that the applicant holds another open ATT for the same section of the exam, has unpaid fees, or may have engaged in subversion of the exam. An ATT may also be suspended by the Board for other good cause.
(e) The nine-month time periods specified in subsection (b) may be extended by the Board because the applicant was prevented from testing due to one of the following events:
   (1) Death of an immediate family member, when accompanied by documentation, such as a copy of the death certificate.
   (2) Catastrophic illness, contagious disease, or major traumatic injury to the candidate or immediate family member (spouse, child or parent), when accompanied by an original letter on letterhead from the physician, which includes the date(s), nature of the illness, and the physician's signature.
   (3) Natural disaster (earthquake, flood, fire, etc.).
   (4) Non-issuance of visa for travel to the U.S., when accompanied by documentation, such as an official letter from the U.S. Embassy or a copy of the passport indicating a visa was requested.
   (5) Other good cause.

§ 8.2. Requirements for Issuance of the Authorization to Test.
(a) An application for an Authorization to Test (ATT) for the computer-based Uniform CPA Examination pursuant to Section 8.1 must be complete including the candidate's name, application date, date of birth, address, telephone number, summary of education, the appropriate fees pursuant to Section 70, and a signature (or the electronic equivalent) authorizing the release of application information to the National Association of State Boards of Accountancy and the
designated exam administrator. The application must also specify the section(s) of the exam the applicant is applying to take. First-time applicants must also provide official transcripts and/or foreign evaluations pursuant to Section 9.2.

(b) An applicant shall not have more than one open ATT for any section of the examination at the same time. At the time of application and during the time any ATT issued by the California Board of Accountancy is open, the applicant shall not have an open ATT for the same section in any other state or jurisdiction.

c) The applicant shall not apply to take, or take, any section or sections of the examination for which the applicant holds unexpired credit pursuant to Section 7.1, with the following exception: An applicant for reissuance who does not currently hold a Certified Public Accountant license in another jurisdiction may retake the examination pursuant to Section 37 of these regulations.

d) The applicant shall certify at the time of application that he or she is in compliance with subsections (b) and (c). Falsifying this certification; or including any false, fraudulent, or materially misleading statements on the application for the examination; or including any material omission on the application for the examination shall be cause for action by the Board pursuant to Business and Professions Code 5110.

e) Except for a CPA who is required to take specified sections of the examination pursuant to a disciplinary action of the Board, no CPA shall apply to take, or take, any section of the Uniform Certified Public Accountant Examination. § 48. Minimum Requirements for a Peer Review Program.
For a peer review program provider to receive Board recognition and be authorized to administer peer reviews in California, the peer review program provider shall submit evidence to the satisfaction of the Board that the peer review program is comprised of a set of standards for performing, reporting on, and administering peer reviews. A peer review program shall include the following components:

(a) Peer Review Types
A peer review program shall have a minimum of two types of peer reviews that include the following:

(1) For firms performing engagements under the Statements on Auditing Standards (SASs), Government Auditing Standards, examinations of prospective financial statements under the Statements on Standards on Attestation Engagements (SSAEs), or audits of non-Security Exchange Commission (SEC) issuers performed pursuant to the standards of the Public Company Accounting Oversight Board (PCAOB), the firm shall undergo a peer review designed to test the firm's system of quality control. The scope of the peer review shall be such that it provides a peer reviewer with a reasonable assurance that a firm's system of quality control was designed in accordance with professional standards and was complied with by a firm's personnel.

(2) For firms only performing engagements under the Statements on Standards for Accounting and Review Services (SSARS) or under Statements on Standards on Attestation Engagements (SSAEs) not encompassed in review performed pursuant to subsection (a)(1), the firm shall undergo a peer review designed to test a cross-section of a firm's engagements to assess whether the engagements were performed in conformity with the applicable professional standards.

(b) Peer Review Report Issuance
(1) For firms undergoing peer reviews pursuant to subsection (a)(1), one of the following three types of peer review reports shall be issued:

(A) A peer review report indicating that a peer reviewer or peer review team concluded that a firm's system of quality control was suitably designed and complied with by the firm's personnel, which provides the firm with reasonable assurance of performing and reporting on engagements in conformity with applicable professional standards.

(B) A peer review report indicating that a peer reviewer or peer review team concluded that a firm's system of quality control was suitably designed and complied with by the firm's personnel with the exception of a certain deficiency or deficiencies that are described in the report. The deficiencies are such that the firm's design of or compliance with its system could create a situation in which the firm would have less than reasonable assurance of performing and/or reporting on engagements in conformity with applicable professional standards.

(C) A peer review report indicating that a peer reviewer or peer review team concluded that a firm's system of quality control is not suitably designed or complied with by the firm's personnel, and thus, does not provide the firm with reasonable assurance of performing and reporting on engagements in conformity with applicable professional standards.

(2) For firms undergoing peer reviews pursuant to subsection (a)(2), one of the following three types of peer review reports shall be issued:
(A) A peer review report indicating that a peer reviewer or peer review team concluded that there was no evidence which would cause the peer reviewer to believe that the engagements performed by the firm were not performed in conformity with applicable professional standards.

(B) A peer review report indicating that a peer reviewer or peer review team concluded that, with the exception of a certain deficiency or deficiencies, nothing would cause the peer reviewer to believe that the engagements performed by the firm and submitted for review were not performed in conformity with applicable professional standards. The deficiencies identified were such that the peer reviewer concluded they were material to the understanding of the report or financial statements or represented omission of critical procedures required by applicable professional standards.

(C) A peer review report indicating that a peer reviewer or peer review team concluded that the engagements reviewed were not performed and/or reported on in conformity with applicable professional standards. In issuing such report, the peer reviewer shall assess both the significance of the deficiencies identified and the pervasiveness of the deficiencies.

(c) Peer Reviewer Qualifications
A peer review program shall include minimum qualifications for an individual to qualify as a peer reviewer. The qualifications shall, at a minimum, include the following:

1. Have a valid and active license in good standing to practice public accounting issued by this state or other state.

(d) Planning and Performing Peer Reviews
A peer review program shall include minimum guidelines and/or standards for planning and performing peer reviews commensurate with the type of peer review being performed to include, but not limited to, the following:

1. For peer reviews performed in accordance with subsection (a)(1) of this section, a peer review program's guidelines and/or standards shall include the following:

   (B) In performing a peer review, the peer reviewer or peer review team shall test the reviewed engagements while assessing the adequacy of and compliance with a firm's system of quality control. The peer review is intended to provide the peer reviewer or peer review team with reasonable basis for expressing an opinion as to whether a firm's system of quality control is suitably designed and complied with by a firm's personnel such that the firm has reasonable assurance of performing and reporting on engagements in conformity with applicable professional standards.
(2) For peer reviews performed in accordance with subsection (a)(2) of this section, a peer review program's guidelines and/or standards shall include the following:

(A) Ensuring that prior to performing a peer review, a peer reviewer or peer review team select a representative cross-section of a firm's accounting and auditing engagements to include at a minimum one engagement for each partner, shareholder, owner, principal, or licensee authorized to issue reports.

(B) In performing a peer review, the peer reviewer or peer review team shall review the selected engagements to determine if the engagements were performed in conformity with the applicable professional standards.

(3) Nothing in a peer review program provider's guidelines and/or standards shall prohibit a peer reviewer or peer review team from disclosing pertinent peer review-related information regarding a firm to a subsequent peer reviewer.

(e) Peer Review Program Plan of Administration and Accepting Peer Review Reports

(1) The administration plan shall clearly outline the manner in which the peer review program provider intends on administering peer reviews and shall, at a minimum, include the following:

(A) Identify a peer review committee, and if necessary subcommittees, and employ knowledgeable staff for the operation of the review program as needed.

(B) Establish and perform procedures for ensuring that reviews are performed and reported on in accordance with the program's established standards for performing and reporting on peer reviews.

(C) Establish a program to communicate to firms participating in the peer review program the latest developments in peer review standards and the most common findings in peer reviews conducted by the Board-recognized peer review program provider.

Although, in general the accountant's working papers are the property of the licensee, if such working papers include records which would ordinarily constitute part of the client's books and records and are not otherwise available to the client, then the information on those working papers must be treated the same as if it were part of the client's books and records.

§ 68.1. Working Papers Defined; Retention.

(b) Licensees shall adopt reasonable procedures for the safe custody of working papers and shall retain working papers for a period sufficient to meet the needs of the licensee's practice and to satisfy applicable professional standards and pertinent legal requirements for record retention.

unable to complete such an engagement, then the document assembly period ends 60 days from the date the engagement ceased.

(2) Notwithstanding the document assembly period specified in paragraph (1) of this subsection, licensees shall comply with applicable professional standards specifying a shorter document assembly period.

For a program that is longer than one 50-minute class hour, credit shall be granted for additional 25-minute segments (one-half of a 50-minute class hour). Only class hours or the equivalent (and not participant hours devoted to preparation or study time) will be used to measure the hours of continuing education.

Pre-testing participants are required to be independent of the group that developed and/or are offering the course and provide feedback on the level of difficulty of the course. The continuing education credit shall be rounded down to the nearest one-half hour credit when the total minutes of the program are not equally divisible by 50.

The continuing education credit shall be rounded down to the nearest one-half hour credit when the total minutes of the program are not equally divisible by 50.

(2) Clearly define lesson objectives and manage the participant through the learning process by requiring frequent participant response to questions that test for understanding of the material presented, providing evaluated feedback to incorrectly answered questions and reinforcement feedback to correctly answered questions. For purposes of this section, evaluated feedback means a response specific to each incorrect answer to the study questions that explains why the particular answer is wrong, as each one is likely to be wrong for a different reason. For purposes of this section, reinforcement feedback means a response to the correct answer of the study questions that restates and explains why the answer selected was correct.

(3) Any program designed pursuant to Section 87(b) must be a minimum of one class hour. Should a program be comprised of multiple subject areas as described in Section 87(a)(2), those components specific to Section 87(b) must be a minimum of one 50-minute class hour.
