(a) There is in the Department of Consumer Affairs the California Board of Accountancy, which consists of 15 members, 7 of whom shall be licensees, and 8 of whom shall be public members who shall not be licentiates of the board or registered by the board. The board has the powers and duties conferred by this chapter.

(b) The Governor shall appoint four of the public members, and the seven licensee members as provided in this section. The Senate Committee on Rules and the Speaker of the Assembly shall each appoint two public members. In appointing the seven licensee members, the Governor shall appoint individuals representing a cross section of the accounting profession.

(c) This section shall remain in effect only until January 1, 2029, and as of that date is repealed.

(d) Notwithstanding any other law, the repeal of this section renders the board subject to review by the appropriate policy committees of the Legislature. However, the review of the board shall be limited to reports or studies specified in this chapter and those issues identified by the appropriate policy committees of the Legislature and the board regarding the implementation of new licensing requirements.

5000.1. Priority of Board; Protection of the Public

Protection of the public shall be the highest priority for the California Board of Accountancy in exercising its licensing, regulatory, and disciplinary functions. Whenever the protection of the public is inconsistent with other interests sought to be promoted, the protection of the public shall be paramount.

5000.5. Requirements for Public Member of Board

No public member shall be a current or former licensee of the board or an immediate family member of a licensee, or be currently or formerly employed by a public accounting firm, bookkeeping firm, or firm engaged in providing tax preparation as its primary business, or have any financial interest in the business of a licensee. Each public member shall meet all of the requirements for public membership on the board as set forth in Chapter 6 (commencing with Section 450) of Division 1.

5001. Eligibility for Appointment; Oath of Office

(a) Except as provided in subdivision (b), each member of the board, except the public members, shall be actively engaged in the practice of public accountancy and shall have been so engaged for a period of not less than five years preceding the date of his appointment. If both the president and vice president are absent or unable to act, the secretary-treasurer shall preside at meetings of the board. The president may designate a board member who is not an officer to preside at a meeting of the board if all officers of the board are absent or unable to act at that meeting. Other duties of the president, vice president, and the duties of the secretary-treasurer, shall be such as the board may prescribe.

5008. Reports; Preparation and Distribution

The board may meet this requirement by electronically distributing these materials via email or making them available on the board's internet website.

5009. Register

The board shall compile and maintain, or may have compiled and maintained on its behalf, a register of licensees that contains information that the board determines is necessary for the purposes for which the board was established. The board shall make the register available to any licensee and to the public.

The board on the appeal may give an oral or written examination as an aid in determining whether the applicant is qualified under the terms of this chapter.

5023. Qualifications Committee to Examine and Recommend Applicants

The board may establish a qualifications committee of its own certified public accountant members or other certified public accountants of the state in good standing, to perform the following advisory duties:

- (a) To examine the qualifications of all applicants for the license of certified public accountant.
- (b) To recommend to the board applicants for the certified public accountant license who fulfill the requirements of this chapter.

5024. Other Advisory Committees

The board may create and appoint advisory committees, consisting solely of board members or consisting of board members and other persons who are not board members, for the purpose of making recommendations on matters as may be specified by the board.

5025.1. Accountants as Consultants and Experts

(a) The board may contract with and employ certified public accountants and public accountants as consultants and experts to assist in the investigation and prosecution of judicial and administrative matters.

(c) Notwithstanding any other provision of law, the board may contract with these consultants and experts on a sole source basis.

(d) If a person, not a regular employee of the board, is hired or under contract to provide expertise to the board in the evaluation of the conduct of a licensee, and that person is named as a defendant in a civil action for defamation, tortious interference with prospective business advantage, or other civil causes of action directly resulting from opinions rendered, statements made, or testimony given to the board, its committees, staff, legal counsel, or other representatives, or in any proceeding instituted by the board or to which the board is a party, the board shall provide for representation required to defend that person in that civil action and shall indemnify that person for any judgment rendered against him or her. This right of defense and indemnification shall be the same as, and no greater than, the right provided to a public employee pursuant to Section 825 of the Government Code. Nothing herein shall be construed as expanding or limiting any immunity from liability otherwise provided by law.

The report shall include the cost, services, terms and duration provided under each contract, the identity of the firms or individuals awarded any contract, and data demonstrating the cost effectiveness of the board's sole-source contracting in the investigation and prosecution of the board's enforcement programs.

(a) The Legislature finds that there are occasions when the California Board of Accountancy urgently requires additional expenditure authority in order to fund unanticipated enforcement and litigation activities. Without sufficient expenditure authority to obtain the necessary additional resources for urgent litigation and enforcement matters, the board is unable to adequately protect the public. Therefore, it is the intent of the Legislature that, apart from, and in addition to, the expenditure authority that may otherwise be established, the California Board of Accountancy shall be given the increase in its expenditure authority in any given current fiscal year that is authorized by the Department of Finance pursuant to the provisions of subdivision (b) of this section, for costs and services in urgent litigation and enforcement matters, including, but not limited to, costs for professional and consulting services and for the services of the Attorney General and the office of Administrative Hearings.

(b) Notwithstanding Control Section 27.00 of the annual Budget Act, Section 11006 of the Government Code, and the amount listed in the annual Budget Act for expenditure, the Department of Finance shall authorize up to two million dollars (\$2,000,000) in additional expenditures for the California Board of Accountancy upon a showing by the board that those funds are necessary for public protection and that the shortfall was not anticipated. These additional expenditures shall be payable from the Accountancy Fund for purposes of the board's litigation or enforcement activities in any given current fiscal year.

5025.3. Contracts for Litigation or Enforcement; Funds Encumbered

(a) Whenever the board enters into a contract for litigation or enforcement purposes, including, but not limited to, contracts pursuant to Section 5025.1, funds may be encumbered in the fiscal year the contract is executed and expended at any time during the subsequent 24 months commencing with the last day of the fiscal year in which the contract is executed.

(b) Notwithstanding Section 13340 of the Government Code, funds encumbered for a contract pursuant to subdivision (a) of this section are continuously appropriated without regard to fiscal year, however, the appropriation is limited to the period for which funds are authorized to be encumbered under subdivision (a).

ARTICLE 1.5. Continuing Education

5026. Continuing Education Requirement

The Legislature has determined it is in the public interest to require that certified public accountants and public accountants licensed under provisions of this chapter comply with continuing education requirements adopted by the board as a prerequisite to the renewal of public accountancy licenses on and after December 31, 1974.

5027. Rules Concerning Continuing Education; Standards Established

(1) For purposes of this subdivision, a permanent restricted practice order shall not be considered an outstanding order of the board provided the licensee has completed probation as part of any original discipline order.

(2) If a license is subject to a permanent restricted practice order at the time the board approves the license to be placed in a retired status, the permanent restricted practice order shall be reinstated if the license is restored from retired status to an active status and shall remain in effect until the board modifies or terminates the permanent restricted practice order.

(d) (1) The holder of a license that was canceled pursuant to Section 5070.7 may apply for the placement of that license in a retired status pursuant to subdivision (a).

(2) Upon approval of an application made pursuant to paragraph (1), the board shall reissue that license in a retired status.

(3) The holder of a canceled license that was placed in retired status between January 1, 1994, and January 1, 1999, inclusive, shall not be required to meet the qualifications as established pursuant to subdivision (e), but shall be subject to all other requirements of this section.

(f) The board may exempt the holder of a license in a retired status from the renewal requirements described in Section 5070.5.

(2) The board shall deny an applicant's application for a military inactive status permit if the permit issued pursuant to Section 5070 is canceled or if it is suspended, revoked, or otherwise punitively restricted by the board or subject to disciplinary action under this chapter. At the time of application, if the applicant has a valid email address, the applicant shall provide that email address to the board.

(2) To renew an unexpired permit, a permitholder shall, before the time at which the permit would otherwise expire, apply for renewal on a form prescribed by the board, pay the renewal fee prescribed by this chapter, and give evidence satisfactory to the board that the permitholder has complied with the continuing education provisions of this chapter.

(3) Each applicant for renewal who has a valid email address shall report that email address to the board on the renewal form described in paragraph (1). In the interest of protecting an applicant's privacy, the electronic mail address shall not be considered a public record and shall not be disclosed pursuant to Section 27 or pursuant to a request under the California Public Records Act (Division 10 (commencing with Section 7920.000) of Title 1 of the Government Code), unless required pursuant to a court order by a court of competent jurisdiction.

(b) A permit to practice as an accountancy partnership or an accountancy corporation expires at 12 midnight on the last day of the month in which the permit was initially issued during the second year of a two-year term if not renewed. To renew an unexpired permit, the permitholder shall, before the time at which the permit would otherwise expire, apply for renewal on a form prescribed by the board, pay the renewal fee prescribed by this chapter, and provide evidence satisfactory to the board that the accountancy partnership or accountancy corporation is in compliance with this chapter.

(c) On or before July 1, 2020, each permitholder who has a valid email address shall provide that email address to the board.

(d) A permitholder shall notify the board within 30 days of any change to their email address on file with the board. The board may periodically, as it determines necessary, require permitholders to confirm that their email address on file with the board is current.

5070.6. Prerequisites to Renewal of Expired Permits; Commencement and Duration of Renewal

Except as otherwise provided in this chapter, an expired permit may be renewed at any time within five years after its expiration upon the filing of an application for renewal on a form prescribed by the board, payment of all accrued and unpaid renewal fees and providing evidence satisfactory to the board of compliance as required by Section 5070.5. At the time of application, if the applicant has a valid email address, the applicant shall provide that address to the board. If the permit is renewed after its expiration, its holder, as a condition precedent to renewal, shall also pay the delinquency fee prescribed by this chapter. Renewal under this section shall be effective on the date on which the application is filed, on the date on which the accrued renewal fees are paid, or on the date on which the delinquency fee, if any, is paid, whichever last occurs. If so renewed, the permit shall continue in effect through the date provided in Section 5070.5 that next occurs after the effective date of the renewal, when it shall expire if it is not again renewed.

5070.7. Cancellation of Permit Not Renewed within Statutory Period; New Certificate and Permit; Reinstatement

(b) A partnership or corporation whose certificate has been canceled by operation of this section may obtain a new certificate and permit only if it again meets the requirements set forth in this chapter relating to registration and pays the registration fee and initial permit fee.

(c) A certified public accountant whose certificate is canceled by operation of this section may apply for and obtain a new certificate and permit if the applicant:

(1) Is not subject to denial of a certificate and permit under Section 480.

(2) Pays all of the fees that would be required of them if they were then applying for the certificate and permit for the first time.

(3) Takes and passes the examination that would be required of them if they were then applying for the certificate for the first time. The examination may be waived in any case in which the applicant establishes to the satisfaction of the board that, with due regard for the public interest, they are qualified to engage in practice as a certified public accountant.

(d) The board may, by appropriate regulation, provide for the waiver or refund of all or any part of the application fee in those cases in which a certificate is issued without an examination under this section.

(e) Revoked permits may not be renewed, but may be reinstated by the board, without regard to the length of time that has elapsed since the permit was revoked, and with conditions and restrictions as the board shall determine.

5070.8. Expiration and Renewal of Suspended or Revoked Permit; Absence of Right to Practice While Permit Suspended; Reinstatement Fee

A permit which has been suspended is subject to expiration, and shall be renewed as provided in this article, but such renewal does not entitle the holder of the permit, while it remains suspended, and until it is reinstated, to engage in the practice of accountancy, or in any other activity or conduct in violation of the order or judgment by which the permit was suspended.

A permit which has been revoked is subject to expiration, but it may not be renewed. If it is reinstated after its expiration, the holder of the permit, as a condition precedent to its reinstatement, shall pay a reinstatement fee which shall be in an amount equal to the renewal fee in effect on the last regular renewal date before the date on which it is reinstated, plus the delinquency fee, if any, accrued at the time of its revocation.

(4) Each resident manager in charge of an office of the firm in this state shall be a licensee in good standing of this state, or shall have applied for a certificate as a certified public accountant under Sections 5087 and 5088.

5073. Application for Registration of Partnership as Certified Public Accountants; Termination of Registration

The board shall in each case determine whether the applicant is eligible for registration.

(b) A partnership that is so registered and that holds a valid permit issued under this article and that has at least one general partner who is licensed to practice using the designation "certified public accountant" or the abbreviation "C.P.A." and one additional licensed person may use the words "certified public accountants" or the abbreviation "C.P.A.s" in connection with its partnership name.

(d) Notification shall be given to the board within one month after the admission to, or withdrawal of, a partner from any partnership so registered.

(e) Any registration of a partnership under this section granted in reliance upon Sections 5087 and 5088 shall terminate forthwith if the board rejects the application under Sections 5087 and 5088 of the general partner who signed the application for registration as a partnership, or any partner personally engaged in the practice of public accountancy in this state, or any resident manager of a partnership in charge of an office in this state.

(b) For purposes of this article, the following definitions apply:

(1) "Peer review" means a study, appraisal, or review conducted in accordance with professional standards of the professional work of a firm, and may include an evaluation of other factors in accordance with the requirements specified by the board in regulations. The peer review report shall be issued by an individual who has a valid and current license, certificate, or permit to practice public accountancy from this state or another state and is unaffiliated with the firm being reviewed.

(2) "Accounting and auditing practice" includes any services that were performed in the prior three years using professional standards defined by the board in regulations.

(c) The board shall adopt regulations as necessary to implement, interpret, and make specific the peer review requirements in this section, including, but not limited to, regulations specifying the requirements for board recognition of a peer review program, standards for administering a peer review, extensions of time for fulfilling the peer review requirement, exclusions from the peer review program, and document submission.

(d) Nothing in this section shall prohibit the board from initiating an investigation and imposing discipline against a firm or licensee, either as the result of a complaint that alleges violations of statutes, rules, or regulations, or from information contained in a peer review report received by the board.

(e) A firm issued a peer reviewed report with a rating of "fail," as defined by the board in regulation, shall submit a copy of that report to the board. The board shall establish in regulation the time period that a firm must submit the report to the board. This period shall not exceed 60 days from the time the report is accepted by a board-recognized peer review program provider to the date the report is submitted to the board.

(f) (1) A board-recognized peer review program provider shall file a copy with the board of all peer review reports issued to California-licensed firms with a rating of "fail." The board shall establish in regulation the time period that a board-recognized peer review program provider shall file the report with the board. (g) The board shall define a peer review report rating of "fail" in regulation.

(h) Any requirements imposed by a board-recognized peer review program on a firm in conjunction with the completion of a peer review shall be separate from, and in addition to, any action by the board pursuant to this section.

(b) The committee may request any information from a board-recognized peer review program provider deemed necessary to ensure the provider is administering peer reviews in accordance with the standards adopted by the board in regulations. Failure of a board-recognized peer review program provider to respond to the committee shall result in referral by the committee of the provider to the board for further action. Any information obtained by the board, its representatives, or the peer review oversight committee in conjunction with its review of peer review program providers shall not be a public record, and shall be exempt from public disclosure, provided, however, this information may be disclosed under any of the following circumstances:

- (g) An individual who fails to cease practice as required by subdivision (e) or who fails to provide the notice required by subdivision (f) shall be subject to the personal and subject matter jurisdiction and disciplinary authority of the board as if the practice privilege were a license and the individual were a licensee. An individual in violation of subdivision (e) or (f) shall, for a minimum of one year from the date the board learns there has been a violation of subdivision (e) or (f), not practice in this state and shall not have the possibility of reinstatement during that period. An individual in violation of subdivision (e) or paragraph (1) shall, for a minimum of one year from the date the board knows there has been a violation of subdivision (e) or paragraph (1), not practice in this state and shall not have the possibility of reinstatement during that period. If the board determines that the failure to cease practice or provide the notice was intentional, that individual shall be prohibited from practicing in this state in the same manner as if a licensee has that licensee's practice privilege revoked and there shall be no possibility of reinstatement for a minimum of two years.

5096.2. Revocation; Procedures; Reinstatement of Practice; Disciplinary Actions; Costs

(a) (1) Practice privileges may be revoked for any of the following reasons:

(A) If an individual no longer qualifies under, or complies with, the provisions of this article, including, but not limited to, Section 5096, or implementing regulations.

(B) If an individual commits any act that if committed by an applicant for licensure would be grounds for denial of a license under Section 480.

(C) If an individual commits any act that if committed by a licensee would be grounds for discipline under Section 5100.

(D) If an individual commits any act outside of this state that would be a violation if committed within this state.

(D) Any other conditions as specified by the board in regulation.

(3) The board may adopt regulations exempting specified minor occurrences of the conditions listed in subparagraph (B) of paragraph (2) from being disqualifying conditions under this subdivision.

(b) The board may revoke practice privileges using either of the following procedures:

(1) Notifying the individual in writing of all of the following:

(A) That the practice privilege is revoked.

(B) The reasons for revocation.

(C) The earliest date on which the individual may qualify for a practice privilege.

(D) That the individual has a right to appeal the notice and request a hearing under the provisions of the Administrative Procedure Act (Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code) if a written notice of appeal and request for hearing is made within 60 days.

(E) That, if the individual does not submit a notice of appeal and request for hearing within 60 days, the board's action set forth in the notice shall become final.

(2) Filing a statement of issues under the Administrative Procedure Act (Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code).

(c) An individual whose practice privilege has been revoked may only subsequently exercise the practice privilege upon application to the board for reinstatement of the practice privilege not less than one year after the effective date of the notice or decision revoking the practice privilege, unless a longer time period is specified in the notice or decision revoking the practice privilege.

(d) Holders of practice privileges are subject to suspension, citations, fines, or other disciplinary actions for any conduct that would be grounds for discipline against a licensee of the board or for any conduct in violation of this article or regulations adopted thereunder.

(e) The board may recover its costs pursuant to Section 5107 as part of any disciplinary proceeding against the holder of a practice privilege.

(f) The provisions of the Administrative Procedure Act (Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code), including, but not limited to, the commencement of a disciplinary proceeding by the filing of an accusation by the board, shall apply under this article.

(g) If the board revokes or otherwise limits an individual's practice privilege, the board shall promptly notify the regulatory agency of the state or states in which the individual is licensed, and the United States Securities and Exchange Commission, the Public Company Accounting Oversight Board, and the National Association of State Boards of Accountancy.

5096.4. Administrative Suspension

(a) The right of an individual to practice in this state under a practice privilege may be administratively suspended at any time by an order issued by the board or its executive officer, without prior notice or hearing, for the purpose of conducting a disciplinary investigation, proceeding, or inquiry concerning the individual's competence or qualifications to practice under practice privileges, failure to timely respond to a board inquiry or request for information or documents, or under other conditions and circumstances provided for by board regulation. The board shall consult the Public Company Accounting Oversight Board and the United States Securities and Exchange Commission at least once every six months to identify out-of-state licensees who may have disqualifying conditions or who may be obliged to cease practice, and shall disclose, pursuant to this subdivision, whether those out-of-state licensees are lawfully permitted to exercise the privilege. Disclosure of this information shall not be considered discipline.

(b) The administrative suspension order is immediately effective when mailed to the individual's address of record or agent for notice and service as provided for in this article.

(c) The administrative suspension order shall contain the following:

(1) The reason for the suspension.

(2) A statement that the individual has the right, within 30 days, to appeal the administrative suspension order and request a hearing.

(d) The burden is on the holder of the suspended practice privilege to establish both qualification and fitness to practice under practice privileges.

(e) The administrative suspension shall continue in effect until terminated by an order of the board or the executive officer.

(f) Administrative suspension is not discipline and shall not preclude any individual from applying for a license to practice public accountancy in this state.

(g) Proceedings to appeal an administrative suspension order may be combined or coordinated with proceedings for revocation or discipline of a practice privilege.

5096.5. Experience Requirement for Signing Attest Report

Notwithstanding any other provision of this article, an individual may not sign any attest report pursuant to a practice privilege unless the individual meets the experience requirements of Section 5095.

The adoption of the regulations shall be considered by the office of Administrative Law to be necessary for the immediate preservation of the public peace, health and safety, or general welfare. The emergency regulations shall be submitted to the office of Administrative Law for filing with the Secretary of State in accordance with the Administrative Procedure Act.

(c) (1) Notwithstanding any other law, to ensure uninterrupted implementation of this article, the board may adopt or amend regulations consistent with Section 100 of Title 1 of the California Code of Regulations to remove or extend the inoperative date of its regulations in Article 3 (commencing with Section 18) of Division 1 of Title 16 of the

California Code of Regulations, or to remove the inoperative dates for the regulations in Article 4 (commencing with Section 26) of Division 1 of Title 16 of the California Code of Regulations.

(2) Notwithstanding any other law, the office of Administrative Law shall consider the board's action to remove or extend the inoperative dates of these regulations as a change without regulatory effect as described in Section 100 of Title 1 of the California Code of Regulations that exempts the board from complying with the rulemaking procedure specified in the Administrative Procedure Act (Article 5 (commencing with Section 11346) of Chapter 3.5 of Part 1 of Division 3 of Title 2 of the Government Code).

5096.12. Practice of Public Accountancy by Firm from Another State

(a) A certified public accounting firm that is authorized to practice in another state and that does not have an office in this state may engage in the practice of public accountancy in this state through the holder of a practice privilege provided that:

(1) The practice of public accountancy by the firm is limited to authorized practice by the holder of the practice privilege.

(2) A firm that engages in practice under this section is deemed to consent to the personal, subject matter, and disciplinary jurisdiction of the board with respect to any practice under this section.

(b) The board may revoke, suspend, issue a fine pursuant to Article 6.5 (commencing with Section 5116), issue a citation and fine pursuant to Section 125.9, or otherwise restrict or discipline the firm for any act that would be grounds for discipline against a holder of a practice privilege through which the firm practices.

(c) A firm that provides the services described in subdivision (d) of Section 5096 shall obtain a registration from the board. At the time of registration, if the firm has a valid email address, it shall provide that email address to the board.

5096.20. Information on Out-of-State Licensees with Disqualifying Conditions; Maintenance of Internet Website; Features; Disclaimers

At minimum, these features shall include all of the following:

(1) The ability of the consumer to search by name and state of licensure.

(2) The disclosure of information in the possession of the board, which the board is otherwise authorized to publicly disclose, about an individual exercising a practice privilege in this state, including, but not limited to, whether the board has taken action of any form against that individual and, if so, what the action was or is.

(3) A disclaimer that the consumer must click through prior to being referred to any other internet website, which in plain language explains that the consumer is being

referred to an internet website that is maintained by a regulatory agency or other entity that is not affiliated with the board. This disclaimer shall include a link to relevant sections of this article that set forth disqualifying conditions, including, but not limited to, Section 5096.2.

(4) A statement in plain language that notifies consumers that they are permitted to file complaints against such individuals with the board.

(5) A link to the internet website or sites that the board determines, in its discretion, provides the consumer the most complete and reliable information available about the individual's status as a licenseholder, permitholder, or certificate holder.

(6) If the board of another state does not maintain an internet website that allows a consumer to obtain information about its licensees including, but not limited to, disciplinary history, and that information is not available through a link to an internet website maintained by another entity, a link to contact information for that board, which contains a disclaimer in plain language that explains that the consumer is being referred to a board that does not permit the consumer to obtain information, including, but not limited to, disciplinary history, about individuals through the internet website, and that the out-of-state board is not affiliated with the board.

(b) The board shall biennially survey the internet websites and disclosure policies of other boards to ensure that its disclaimers are accurate.

5096.21. Determinations Regarding Out-of-State Practitioners; Redetermination; Factors to be Considered; Stakeholder Group

(a) (1) On and after January 1, 2016, if the board determines, through a majority vote of the board at a regularly scheduled meeting, that allowing individuals from a particular state to practice in this state pursuant to a practice privilege as described in Section 5096, violates the board's duty to protect the public, pursuant to Section 5000.1, the board shall require out-of-state individuals licensed from that state, as a condition to exercising a practice privilege in this state, to file the notification form and pay the applicable fees as required by Section 5096.22.

(2) A state for which the board has made a determination pursuant to paragraph (1) to require individuals licensed from that state to file a notification form and pay the applicable fees may subsequently be redetermined by the board, by majority vote of the board at a regularly scheduled meeting, to allow individuals from that state to practice in this state pursuant to a practice privilege as described in Section 5096.

(b) The board shall, at minimum, consider the following factors when making a determination or redetermination pursuant to subdivision (a):

(1) Whether the state timely and adequately addresses enforcement referrals made by the board to the accountancy regulatory board of that state, or otherwise fails to respond to requests the board deems necessary to meet its obligations under this article.

(2) Whether the state makes the disciplinary history of its licensees publicly available through the Internet in a manner that allows the board to adequately link consumers to an internet website to obtain information that was previously made available to consumers about individuals from the state prior to January 1, 2013, through the notification form.

(3) Whether the state imposes discipline against licensees that is appropriate in light of the nature of the alleged misconduct.

(4) Whether the state has in place and is operating pursuant to enforcement practices substantially equivalent to the current best practices guidelines adopted by the National Association of State Boards of Accountancy provided those guidelines have been determined by the board to meet or exceed the board's own enforcement practices.

5096.22. Notification Form and Fee by Out-of-State Practitioner; Commencement of Practice Privilege; Failure to Comply as Violation

(1) Prior to practicing, submit a notification form to the board in a manner prescribed by board regulation.

(2) Pay a fee equal to the reasonable administrative costs, as established by the board.

(b) Except as otherwise provided by this article or by board regulation, a practice privilege subject to this section shall commence when the individual submits a properly completed notification form to the board, provided that the fee is received by the board within 30 days of that date. The board shall permit the notification to be provided electronically.

(c) An individual shall not be deemed to be in violation of this section solely because he or she begins the practice of public accounting in California prior to notifying the board as indicated in subdivision (a), provided the notice is given within five business days of the date practice begins. An individual who properly notifies the board within the five-day period provided for in this subdivision shall be deemed to have a practice privilege from the first day of practice in California unless the individual fails to timely submit the required fee. Failure to comply with this section means that the individual is practicing public accountancy unlawfully in this state and is in violation of Section 5120. In addition to any other available remedy, the board may issue a fine equal to reasonable enforcement costs if an individual notifies the board more than five business days after beginning practice in California.

(d) An individual whose principal place of business is in a state subject to an action by the board pursuant to Section 5096.21 shall not be deemed in violation of the notice and fee requirements of this section if the failure to comply occurs within 60 days of the date of the board action.

The burden may be met by a preponderance of the evidence.

(c) Nothing in this article shall be construed to limit the authority of the board to refuse admittance to or to remove from the licensing examination, any person suspected of cheating or failing to comply with examination procedures or requirements.
