## CBA-Approved Foreign Credentials Evaluation Services

Candidates who attended or graduated from foreign schools may satisfy the Uniform CPA Examination education requirements based upon an evaluation of foreign transcripts by any of the CBA-approved foreign credentials evaluation services listed below. Official evaluations **MUST** be in the original sealed envelope, or mailed directly to the CBA by the CBA-approved foreign credentials evaluation service provider. Candidates are responsible of ensuring the timely submission of the evaluation. Please note that foreign credential evaluation services typically take three to six weeks to provide evaluation reports.

**NOTE:** Foreign credentials evaluation services do **NOT** evaluate transcripts from U.S. schools. If U.S. school transcripts are sent to the evaluation service they do **NOT** forward them to the CBA.
