

Regarding CPJE Eligibility Update – notice to candidates

The board notifies candidates of their eligibility date in a letter. Candidates made eligible with the board should receive a CPJE Handbook from PSI within two weeks of their eligibility date.

Recent Update to Candidate Made Eligible prior to 6/6/07

PSI notified the board that on the mailing labels of the CPJE Handbooks from PSI they inadvertently eliminated the middle names of all candidates made eligible.

PSI has corrected the problem and will be sending out postcards to affected candidates indicating the full and correct name of record with the board and PSI. (This is the name that must match all of your identifications.) Postcards should be received by June 22, 2007. Should you have any questions whether your middle name has been corrected, you may contact PSI at (877) 392-6422.
